Autism Inclusion in Sport, Recreation and Physical Education

Live Webinar Series 2020

Join Special Olympics Australia for a free live webinar series and learn practical strategies to include people with autism in your sport, physical education or recreation programs. Engage directly with experts and people with lived experience of autism. Increase your toolkit of knowledge, resources and practical applications to improve your confidence in delivering inclusive programming.

This webinar series expands upon topics presented in Special Olympics Australia's online learning module 'An Introduction to Autism Spectrum Disorder' found on SOA Learn and includes:

- Understanding Autism
- Getting To Know Your Participants
- Communication and Inclusive Practice
- Sensory Sensitivities and Regulation
- Creating an Inclusive Program and Environment
- Inclusive Practice for PE Teachers and Schools

Note: captioning provided

Webinar #5: Creating an Inclusive Club and Environment

Presented by:
- **Daniel Munter** (ICAN Network)
- **Stephen Lawley** (Special Olympics Australia Athlete Leader)
- **Kellie Tait** (Founder of AAA Sports Ballarat, Sport Inclusion Consultant and parent of a child with autism),
- **Liz Gosper** (Head Coach / Director Inclusive Sports Training, Special Needs Teacher and Project Inclusion Leader at Triathlon Victoria),
- **Andre Ascui** (2020 Para Road Cycling National Champion, Triathlete and Inclusion and Diversity Coordinator at Cricket Victoria)

Date: Monday 17 August 2020 | Time: 1:30pm - 3:00pm AEST

Can't make the live webinar? All webinars and supporting resources in this series will be recorded and accessed via the Special Olympics Australia learning platform SOA Learn
