RE: QLD Health Update – Eased restrictions update
DATE: 4:30pm AEST – Wednesday 18 August 2021

Dear Chairs and COVID-19 Coordinators,

Current QLD restrictions are set to ease from stage 1 to stage 2 commencing **4pm, Friday 20 August until 4pm Friday 27 August 2021.**

The easing of these restrictions means that community sport can commence in full including training, competitions and school sport but with reduced spectators. All sporting activities must adhere to venue capacity regulations at all times.

Masks must be carried with you at all times when you leave home, unless you have a lawful exemption not to. You must wear a face mask when using public transport and ride share, which includes the time spent waiting for the transport in a public space (bus stop, taxi rank or train station).

When outdoors, you must wear a mask when unable to stay 1.5m apart from people who are not part of your household.

When indoors, you must wear a mask (including workplaces, but not your own home) unless it is unsafe or you can stay 1.5m apart from other people.

Thank you for your cooperation and support during these difficult times and please be safe during all activities. We shall continue to monitor the State health orders and will advise if anything should change.

Kind regards
